

Meet the teacher

Mrs. Sandra Klein, M.Ed.

WELCOME 2023-2024!

This is going to be a fantastic year! My heart fluttered when I received my class list! What a blessing to have each of you this year! I look forward learning from you and being part of a team that includes you and your family.

I live in Fredericksburg with my husband. We have one big girl with us. Her name is Jolene. She likes to lick my face and chase after deer and rabbits. We have 3 adult daughters, each with their own families that includes 3 sons-in-laws, four grandsons and, 2 grand puppies.

ALL ABOUT ME

I am celebrating my 27th year teaching. I spent 20 years at Daniels and the past 6 years here at Tally. I have taught grades Kinder to 12th grade.

I accomplished one of my bucket list by teaching for Austin Community College. I had the privilege to teach future teachers.

I love to try new things and to have fun while learning.

“When educating the minds of our youth, we must not forget to educate their hearts,” *Dalai Lama*

THESE ARE A FEW OF MY FAVORITE THINGS...

- DRINK: Unsweetened Tea with lemon
- FOOD: Delicious!
- BOOKS: Harry Potter Series, Dr. Seuss
- TV SHOW: Big Bang Theory
- MOVIES: Wonder Woman & Mulan
- GOAL: To participate in a marathon
