

Meet the Teacher

About Me

Welcome to Pre-K! I am Mrs. Rios, and I am so excited to be your child's teacher this year! Although I am new to ECC, this is my 14th year in education. Growing up, all I ever dreamed about was becoming a teacher and being a positive influence in the lives of children, so I am truly grateful for the opportunity to work with you and your child. The safety and education of my students are of utmost importance, and I hope to instill a love of learning in each of them that will last a lifetime! I look forward to having a fantastic year!

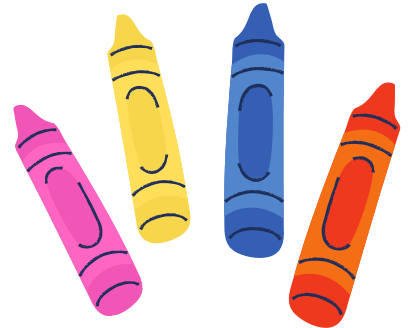

Education

I grew up in the Hill Country and graduated from Center Point High School. I received a Bachelor of Science in Applied Learning and Development at the University of Texas. Hook em' Horns!

Favorites

I love spending time with my family, whether it's playing in the backyard, experiencing something new, or just reading a book together! Reading, baking, and crafting are some of my favorite hobbies. Every now and then, I stop for a treat at Nobiletea or Starbucks, and I enjoy a little chocolate from time to time!
