

MEET THE TEACHER!

Dr. Durr

About Me

Hi! I was born in Texas and I'm finally back! I'm married and we have 3 children. My husband just retired after 30 years in the U. S. Army, which means we finally get to settle down. My kids are 15, 14, and 13, with the two oldest in 10th grade and my youngest in 8th. We moved to Kerrville 11 months ago.

Education

I have a Bachelor's in Elementary Ed. with a specialization in Early Childhood. I have two Master's degrees, one in Special Ed. with a specialization in Bilingual Ed. the second in Educational Administration. My Doctorate in Leadership.

Besides three kids, I also have a pretty big family, who we enjoy visiting often. My family loves hunting & fishing and spending time out at the cabin watching the stars! We also enjoy cooking, sports and watching football (DCFL)! My kids are involved in Civil Air Patrol, cross country, track, and baseball. I love coffee, making puzzles, and fresh strawberries/peaches.
