Kerrville ISD Announces New Principal of B.T. Wilson Sixth Grade School

KERRVILLE, TEXAS (March 25, 2019) – Kerrville Independent School District announced today the appointment of Tana Althaus as Principal of B.T. Wilson Sixth Grade School, beginning with the 2019-2020 school year. Althaus was recommended at the March 25th Board of Trustees meeting by Dr. Mark Foust, and was approved unanimously. She will replace Harper Stewart, who has served as Interim Principal at BTW since August 2018.

Althaus has been Assistant Principal at Nimitz Elementary since 2014. Prior to her role as Assistant Principal, Althaus was a 5th grade science teacher at Nimitz Elementary and has taught various subjects in KISD including Challenge Lab at Starkey Elementary, and math and writing at Tally Elementary.

“It is an honor to join the B.T. Wilson family next year. I have been with Kerrville I.S.D. since 2005, and love this district and our community,” Tana Althaus said. “I am excited to work with the students, their families, and the staff to impact a very important transitional time in children’s lives.”

Althaus graduated from Texas Tech University in 2003 with a Bachelor of Science. She received her Master of Education in Teaching in 2005, and her Principal Certification in 2012, both from Schreiner University.
